Dear Mr. Carlson-

Thank you for your letter of November 1. Unfortunately your letter contains a number of incorrect assumptions about this matter. I think (or at least I hope) that they are all explained by my inability to fully brief you on our negotiations. As I have explained to you, I can neither share with you the advice I have given AG Blumenthal, nor can I disclose the details of our negotiations with the Connecticut Audubon Society. I completely understand your frustration with that- I would be equally frustrated were I in your position. I can only tell you that we understand our legal obligations and will discharge them fully and honorably.

Tom Fiorentino
